6 . The rubric of this class

A : basic knowledge	B : skills	C : interactive
Vocabulary and expression to introduce oneself.	Speaking / Listening	Students talk about themselves and ask questions to each other.

7 . The final goal of the students

The final goal is to develop students English conversation skill and to build confidence in speaking English with foreign students.

8. Teaching Procedure

Development	Activities	Comment	evaluation
Introduction	The whole class will be divided into four groups.	Don't be shy!	Eye contact
development I	Students from SA will be in each group. Each student takes turns and introduce themselves.	When someone is talking, listen to her carefully.	Listening
development II	ON students ask questions to students from SA.	Ask as many questions as you can think of.	Everyone asks at least one question.
Things to Finalize	Students from SA and one ON student from each group speak about how she felt through the activity. ON Students say thank you to students from SA.	Please remember the names of students from SA. They will stay at ON for two weeks so feel free to talk to them!	

9. Remarks:
