From: Brett Henderson
To: Janet Goldsmith
Date: August 17, 2017
Subject: Sports Day

Hi Janet,

I was on a picnic with friends and playing games when suddenly I got an idea for a new, fun and exciting event for Sports Day. We need balls, ropes and buckets.

The idea is to put balls in a bucket and carry them from one side to another using a rope without dropping any balls within one minute.

What do you think of this idea? Oh, and by the way, the Cultural Festival is coming soon so we have to organize all the materials for decorating the classroom. Let me know the things you have so we don't have to buy as much.

Let me know right away.

Brett
