【Teacher's Message】

Welcome to Otsuma Nakano! My name is Willie Vickers and I will be teaching this elementary school English Retention class. In this class, students maintain and build the English that they learned abroad as well as prepare for English tests. We will be using an "open curriculum" in this class. We will focus on reading and writing essays, presentations, and speeches. This year this course will be held online via Zoom in the 1st semester on select dates. I look forward to seeing returning students and new students for this new school year. Let's enjoy online English lessons together.
