

From British Columbia, Canada

I'm Y.M. I have been studying in Canada for 8 months. This month was also rainy and dry, but the last week of April was so hot with temperatures up to 26°, just like summer. I had so many memories. First, I celebrated my host

mother's birthday with my host family's relatives.

Second, I went to an amusement park with my friends and went to a shopping mall near the airport.

Canada's amusement parks have no admission fee, and you can buy only the ticket you want to ride, so the freedom is good. Third, Canada has an "easter break". It's kind of holidays of Canada. I stayed with my friend at

my house for two days. We had a Korean BBQ, played with cats, and they were all fun for me. In addition, I watched a

movie with my Korean friends. I heard that friends from various countries at Burnaby Central School

were happy to watch "Suzume", which came to Canada from Japan. Forth, I also participated in

volunteering for the second time. I moved by the fact that cherry blossoms were blooming in various places in Canada, and I felt a

sense of familiarity. At "Sakura festival", I volunteered to collect and separate garbage from customers. I was surprised that about 9,000 people came to this festival. It rained for two days, and the cherry blossoms weren't so beautiful that much, but I was happy that many people appreciated me.

For me, the biggest event in April was participating in a dance performance called Central got talent at school and winning first place in the school. We performed K-pop

dance in costume at lunch time. I was nervous because there were so many students at Burnaby Central School, the principal, and the judging teachers, but they cheered and supported me, so I could dance with a smile on my face. The results were broadcasted at school the next day and many

friends congratulated me. It's my best memory.

今月も雨が多く乾燥していましたが、最後 26°まで上がり暑かったです。今月は、私のホストマザーの誕生日でホストファミリーの親戚の方たちとお祝いパーティーをしました。次に友達と遊園地に行き、空港近くのショッピングモールに行きました。カナダの遊園地は入場料がなく、乗りたい分のチケットだけ買う事が出来るのでその自由さがいい所です。さらに、カナダには「easter break」という祝日があり、2日間友達と泊まり会をしました。韓国バーベキューをし、猫と遊び楽しかったです。日本からカナダに来た『すずめの戸締り』という映画作品を友達と観ました。セントラル高校の色々な国の友達も観てよかったと聞きました。また、2回目のボランティアに参加しました。カナダもいろんなところで桜が咲いていることに感動し、親近感がわきました。「Sakura festival」で私は、お客様のゴミを回収し分別するボランティアをしました。9000人来たそうです。2日間色々な外国人に"thank you so much"と感謝され嬉しかったです。四月最大のイベントは、Central got talent という発表会に参加し学校内で1位を獲得したことです。K-pop系の衣装を着て昼に踊りました。セントラル高校の生徒と校長先生と審査する先生たちと人数の多さに緊張しましたが、みんなの歓声で笑顔になれました。結果は次の日、学校で放送され友達にたくさんおめでとうと言われました。最高の思い出です。
